Presenting FINGERS

Solar HUNK2

Portable Speaker

With solid enhancements, sonically and aesthetically, over its predecessor. Featuring **Duo charge** with built-in solar panel, it provides charging through power outlet or via the energy of the sun, making it eco-friendly & an all-weather companion. Adding on is **RGB Lights** that is sure to infuse the surroundings with party vibes.

Fully Feature-packed and supporting multiple playback modes, for an insane **14-hours**, this perfect portable speaker to go on outdoor excursions.

Solar HUNK2

Portable Speaker

Ultimate Outdoor Portable Speaker

With rugged built, FINGERS SolarHunk2 is an absolute beast built to resist indoor wear and tear plus, withstand all the knocks and scuffs from outdoor activities.

A drop as well, from up to 1 metre height!

Duo Charge:

Through Solar Energy or Power outlet

Heading for trekking, pool party or, any adventure where music fuels up the aura of atmosphere? Discover flexibility & convenience of duo charge, i.e. in sunlight, the speaker will be charging and getting the power it needs to play. And, as and when needed you can charge through regular electric outlet, as always!

Power of Solar

Each day, the sun provides sufficient energy to power everything on earth! SolarHunk2 features high-performance mono-crystalline silicon solar panel to harness this abundantly-available source of solar energy and use it to charge the speaker. This means you can enjoy your music without having to look for a power outlet, ever.
